Summer Holiday Assignment (2019 – 20)
Class III

*Longer days and shorter nights
Dark shades & brighter lights
Favourite music & best friends
Keep away pencils keep away pens.
Make these days the time of your life
And make the nights just as right
This time only comes once a year
So live it up without inhibition and fear.*

Exciting time is here again! It's time for Summer Vacation and fun filled activities.

HERE ARE A FEW SUGGESTIONS:

❖ Read English story books and have fun . One is never alone when one is with books. Sitting in your room with your book you could go off to far away places, meet all kinds of people, animals, birds and even fairies. What fun! Reading will teach you many new words. You will write better and speak well. Read books to discover lots of new things!

❖ Set a family "Game Night." It's a great way to break up the monotony of the routines. Family time should be fun. It is fun playing Board Games. Board Games- Chinese Checkers, Scrabble, Ludo and Snakes and Ladders.

❖ **Watch TV along with your family** Television is instructive and entertaining for children of all ages and can promote positive aspects of social behaviour such as sharing, good manners, and cooperating with others.

can be all ages, behaviour

❖ **Go Play Outside!** Kids of all ages can learn a lot about their connection to the natural world. By exploring what's around them, kids begin to develop investigative skills which will help them later when they have to grasp many different science and math concepts. Hide-and-seek, camouflage, and blindfold walks are some good traditional games you can play with your kids.

❖ **Visiting farms or nature centers or exhibitions or amusement parks** Try to click pictures or collect of these places. Send the same to the school summer break and let all of us cherish your

a souvenir after the memories.

❖ **Caring for the environment-** Set an example to others by taking care of plants and animals around you. You along with your parents can plant a sapling and take good care of it. Keep a bowl of fresh water every day for birds and animals to quench their thirst in the scorching heat.

❖ **REVISE** all the work done in class, in all subjects

GOOD MANNERS & PERSONALITY ENHANCEMENT

- ♣ Encourage your child to help in laying the table for the dinner.
- ♣ Ask the child to keep his/her toys & belongings back at their place.
- ♣ Encourage your child to take a bath daily & follow regular time for eating, playing, sleeping, watching T.V & listening stories.

EXERCISE IS WISE

- ♣ Exercise everyday with your child to boost up energy levels.
- ♣ Go for walk/ cycling /play games like catch me if you can, hide & seek for making child healthy & fit.

LITTLE MAPS CHEF

- ♣ Help the child to learn a lot of simple & safe dishes while under the supervision of his/her mother. Make a simple dish for the father and make the 'Father's Day' memorable.
