1. READ THE GIVEN PASSAGE CAREFULLY AND ANSWER THE QUESTIONS: - (12 marks)

United Nations believe that since aliens are there, they will in the near future dial Earth to make their presence official. So the UN has decided to be ready in case such an event happens. Its Office for Outer Space Affairs (OFOSA) have appointed Malaysian astrophysicist Mazalan Othman for this project. UN is not only organization that is trying to entice the aliens. Ares, near Bordeaux, France has built the country's only UFO landing pad to try and attract aliens. A plate on the UFO ports reads: Reserved for voyages of the universe."

So if you ever spot some alien lurking in your neighborhood and looking lost, either direct it to OFOSA or e-mail, call, and fax Mr. Othman's offices.
