Dear Parents,

Greetings of the Day!!

***“Entertainment and Learning are not opposites; entertainment may be the most effective mode of learning.”***

**By Herbert Marcuse**

Entertainment boosts the level of activeness in students. It provides the students with a fresh mind to accommodate new ideas through the learning process.

It is here that movies come to play a crucial role as they help develop children's cognitive skills such as forming long-term memory, maintaining focus and developing logical reasoning. Also, they learn about different ways of life.

Keeping this in mind, Dwarka International School has planned to show movie to its students, the details of which are given below:

**Date:** April 26, 2023 i.e., Wednesday

**Venue:** School Auditorium

**Movie Name:** The Lion King

***We hope that movie time will make our students feel more relaxed and rejuvenated and it will turn out to be a fun-filled enriching experience for them.***

Regards

Principal
