Dwarka Sec 12, New Delhi - 110078

20th July 2023

AC CLASSROOMS – PAYMENT DETAILS

DIS/CIR/PRN/2023-24/44
Dear Parents

Greetings!

We wish to thank all our parents for the overwhelming positive response with regard to installing ACs in the classrooms. As our important stakeholders and partners in the education of the students; your support is vital for us.

The school has tried to keep all factors, including optimum costing in mind while calculating the cost. The extra cost incurred for the ACs, including running and maintenance, will be Rs. 670/ a month and will be part of the annual charges. This may be paid on a monthly/quarterly basis along with the fee bill generated for your ward. Parents are welcome to pay the same on an yearly/half yearly basis if they so desire.

The payment for the session 2023-24 is w.e.f. 01st August 2023. Please do mention the name of the child, admission number and class at the back of the cheque. The screenshot of the online payment will need to be shared with the class teacher/accounts department. Parents are requested to make the monthly/quarterly/half yearly/annual payment on or before 10th August 2023.

The work for the same will be started on an immediate basis so that our children are able to avail of the facility at the earliest possible. In case of any query, parents may reach out to Mr. Vikas, Manager Accounts, @ 9212707480.

Regards

Shalini Agarwal
Principal

.....
I, parent of, _____ of class _____ agree to give / not to
give Rs. 670/- per. month through cheque/online payment.
