Planetarium Experience for Classes III-V

Dear Parents

Greetings of the day!

In continuation of our endeavour to expose our school children to distinct creative experiences for their holistic development, Dwarka International School has planned to set up the Planetarium within the school premises for our learners of grade III to V on August 2, 2023 (Wednesday)

It comprises of solutions to the inherent impediments of astronomy teachings. The show offered are related to various astronomical sky simulation and it will help the students to explore, learn, discover and enjoy. Kindly submit the duly filled consent form along with ₹ 310 latest by July 27,2023 (Thursday)

Please sign the consent form given below. In case, the signed consent form is not received, the students will not be able to enjoy the proposed Planetarium experience.

Regards

Shalini Agarwal
Principal
